Accutinter 8000 Elite

Best for: High-Volume paint stores and manufacturers

The Accutinter 8000 Elite is designed for high-volume paint departments that need the fastest, most reliable, and highest capacity tinting solution.

“"We buy Fluid Management machines because they are very reliable, can deal with the high volume of product we go through here in this store, and are very self-sufficient.””

- Leading Paint Dealer

**Key Benefits**

**Small Footprint**
At just 45” wide x 43” deep, the AT8000Elite is the most compact high-end machine on the market.

**Speed**
5-channel simultaneous dispensing allows you to quickly and efficiently service your customers!

**Accuracy, Repeatability & Reliability**
Pump technology sets the standard for accuracy, repeatability, and reliability, ensuring that you provide customers with the right color every time.

**Zero/low-VOC Compatibility**
DVX pump technology, combined with an automatic, air-tight nozzle closer, make the AT8000Elite compatible with Zero/Low-VOC colorants.

**Self Serviceability**
A modular canister design and self-service tools, including step-by-step videos, help maximize uptime and greatly reduce the need for on-site service.

**Container Queueing**
Built-in conveyor that can hold any container size.
One-of-a-Kind Pump Technology

DVX® pump technology puts Accutinter dispensers head and shoulders above the rest:
• Robust construction eliminates component wear
• Valveless design eliminates need for annual calibration, and alleviates need for maintenance
• State-of-the-art electronics provide unmatched speed
• Builds on IDEX experience in designing durable and accurate pumps for health, fire, rescue applications

Driven by ColorPro 4 Software

ColorPro 4 software optimizes the performance of your Accutinter dispensers:
• Automates paint tinting and record-keeping
• Reduces mistints through operator prompts
• Prolongs equipment life with maintenance recommendations
• Features friendly graphical interface

Service and Support

Our customer commitment continues long after the sale with:
• Prompt installation and training
• 24/7 multilingual support
• Factory technicians in US/Canada
• Unmatched, factory-certified Authorized Service Network
• FM Direct Connect remote troubleshooting
• Preventive Maintenance and Extended Warranty programs
• YouTube channel with how-to videos
