Harbil Dual-Pump

Best for: High-volume hardware retailers and paint stores

With its large-capacity stainless steel canisters, industrial seals and lids, and heavy-duty construction, the Harbil Dual-Pump Series is ideal for high-volume dispensing with different colorant types used in application as stucco and industrial coatings. It is equipped with shelves to handle quart, 1-gallon and 5-gallon containers, 5-oz and 1-oz pumps for each colorant canister, and a nozzle-closer to improve performance with LVOC/ZVOC colorants.

**KEY BENEFITS**

**DISPENSING SPEED**
6-liter canisters and dual pumps for higher dispensing speeds.

**IMPROVED PERFORMANCE**
Nozzle-closer that improves performance with LVOC/ZVOC.

**ROBUST**
Solvent and industrial applications.

**ACCURATE**
Sawtoothed, self-zeroing gauges to eliminating mistints.
Service and Support
Our customer commitment continues long after the sale with:

- Prompt installation and training
- 24/7 multilingual support
- 25 factory technicians in US/Canada
- Unmatched, factory-certified Authorized Service Network
- FM Direct Connect remote troubleshooting
- Preventive Maintenance and Extended Warranty programs
- YouTube channel and How-to videos

Help is Just a Click Away!
Easy access to useful Fluid Management information and support is available online at www.fluidman.com as well as:

- Featuring useful maintenance and how-to videos
- Fluid Management Mobile App – For on-the-go support
- Mobile Service Scheduling – just scan QR code to set up an appointment
