Accutinter 1600

Best for: Hardware retailers with space limitations

The Accutinter 1600 automatic dispenser is a great fit for small and midsize hardware stores with low-volume tinting needs. Its small footprint saves space, and the simple design makes it easy to operate and maintain.

“I like FM products because they work. They are quick, accurate and precise. Easy to learn and easy to use.”

- Leading Hardware Co-op Manager

**PUMPING SYSTEM:**
DVX® technology – no valves

**NOZZLE CLOSER:**
Mechanical, spring-loaded closing device for low-VOC colorants

**VOLUME:** Low

**KEY BENEFITS**

**SMALL FOOTPRINT**
At just 35” wide x 24” deep, it’s the perfect fit for midsize retailers with limited floor space.

**ACCURACY, REPEATABILITY & RELIABILITY**
Pump technology sets the standard for accuracy, repeatability, and reliability, ensuring that you provide customers with the right color every time.

**ZERO/LOW-VOC COMPATIBILITY**
DVX pump technology, combined with a mechanical, air-tight nozzle closer, make the AT1600 compatible with Zero/Low-VOC colorants.

**SELF SERVICEABILITY**
A modular canister design and self-service tools, including step-by-step videos, help maximize uptime and greatly reduce the need for on-site service.

**VOLUME:** Low
One-of-a-Kind Pump Technology
DVX® pump technology puts Accutinter dispensers head and shoulders above the rest:
• Robust construction eliminates component wear
• Valveless design eliminates need for annual calibration, and alleviates need for maintenance
• State-of-the-art electronics provide unmatched speed
• Builds on IDEX experience in designing durable and accurate pumps for health, fire, rescue applications

Driven by ColorPro 4 Software
ColorPro 4 software optimizes the performance of your Accutinter dispensers:
• Automates paint tinting and record-keeping
• Reduces mistints through operator prompts
• Prolongs equipment life with maintenance recommendations
• Features friendly graphical interface

Service and Support
Our customer commitment continues long after the sale with:
• Prompt installation and training
• Multilingual and after hour support
• Factory technicians in US/Canada
• Unmatched, factory-certified Authorized Service Network
• FM Direct Connect remote troubleshooting
• Preventive Maintenance and Extended Warranty programs
• YouTube channel with how-to videos
