Accutinter 1600HS
Best for: Medium-Volume Retailers with Space Limitations

The Accutinter 1600HS is an enhanced version of our popular AT1600 model; incorporating high-speed DVX® pump technology, it delivers up to 3 times the output while maintaining a compact footprint.

"I like FM products because they work. They are quick, accurate and precise. Easy to learn and easy to use."
- Leading Hardware Co-op Manager

**PUMPING SYSTEM:**
DVX® technology – no valves

**NOZZLE CLOSER:**
Automatic closing device with improved design for LVOC/ZVOC colorants

**KEY BENEFITS**

**SMALL FOOTPRINT**
At just 35” wide x 24” deep, it’s the perfect fit for medium volume retailers with limited floor space.

**SPEED**
4-channel simultaneous dispensing allows you to quickly and efficiently service your customers!

**ACCURACY, REPEATABILITY & RELIABILITY**
Pump technology sets the standard for accuracy, repeatability, and reliability, ensuring that you provide customers with the right color every time.

**ZERO/LOW-VOC COMPATIBILITY**
DVX pump technology, combined with an automatic, air-tight nozzle closer, make the AT1600HS compatible with Zero/Low-VOC colorants.

**SELF SERVICEABILITY**
A modular canister design and self-service tools, including step-by-step videos, help maximize uptime and greatly reduce the need for on-site service.
One-of-a-Kind Pump Technology

DVX® pump technology puts Accutinter dispensers head and shoulders above the rest:
- Robust construction eliminates component wear
- Valveless design eliminates need for annual calibration, and alleviates need for maintenance
- State-of-the-art electronics provide unmatched speed
- Builds on IDEX experience in designing durable and accurate pumps for health, fire, rescue applications

Driven by ColorPro 4 Software

ColorPro 4 software optimizes the performance of your Accutinter dispensers:
- Automates paint tinting and record-keeping
- Reduces mistints through operator prompts
- Prolongs equipment life with maintenance recommendations
- Features friendly graphical interface

Service and Support

Our customer commitment continues long after the sale with:
- Prompt installation and training
- Multilingual and after hour support
- Factory technicians in US/Canada
- Unmatched, factory-certified Authorized Service Network
- FM Direct Connect remote troubleshooting
- Preventive Maintenance and Extended Warranty programs
- YouTube channel with how-to videos

Help is Just a Click Away!

Easy access to useful Fluid Management information and support is available online at www.fluidman.com as well as:

- YouTube: Featuring useful maintenance and how-to videos
- Fluid Management Mobile App - For on-the-go support
