

*"We buy Fluid Management machines because they are very reliable, can deal with the high volume of product we go through here in this store, and are very self-sufficient."*

- Leading Paint Dealer

# AccuSmart 9500

*Ideal for high-volume hardware retailers and paint dealers*

The AccuSmart Platform is the latest introduction of innovation from Fluid Management. A combination of improved ergonomics and efficiency tools optimize the operator experience increasing productivity for large multi-can orders. Built on the DVX™ pump technology platform that has set the bar on accuracy, reliability, durability, and performance.

## CANISTER CAPACITY:

5 gallon / 3 Gallon  
/ 6 Quart / 4 Quart

## PUMPING SYSTEM:

DVX™  
Valveless  
Pumps

## WHAT'S NEW:

- New Nozzle Technology
- New Alignment Tool
- Smoother Dispenses
- Lower Power Consumption

## KEY BENEFITS

### NEW NOZZLE TECHNOLOGY

DPI™ technology eliminates the need for daily nozzle cleaning of colorant and reduces purge waste. New nozzle cup does not require sponge and water for maintenance

### NEW ALIGNMENT TOOL

High visibility LEDs will greatly enhance container alignment for faster dispensing

### SMOOTHER DISPENSES

Less pulsation and reduced noise even when dispensing at fast speeds

### LOWER POWER CONSUMPTION

Up to 50% lower power consumption

## New Electronics Platform

Utilizing the latest components to mitigate obsolescence. Key product information is now stored in the electronics.

## Dispense Speed

5 channel Instant-On simultaneous dispensing with modulated speed profile to minimize splashing

## Lower Power Consumption

Up to 50% reduction in power usage

## Advanced Diagnostics

Expanded function codes with pump odometers and logging capabilities

## IoT Capable

Incorporates the power of the Internet to communicate with your machine

## Service and Support

Our customer commitment continues long after the sale with:

- Prompt installation and training
- Multilingual and after hour support
- Factory technicians in US/Canada
- Unmatched, factory-certified Authorized Service Network
- Preventive Maintenance and Extended Warranty programs
- YouTube channel with how-to videos

Designed and  
Manufactured in the USA
