# Accutinter 1600

Best for: Paint retailers with space limitations

The Accutinter 1600 automatic dispenser is a great fit for small and mid size paint retailers with mid to low-volume tinting needs. Its small footprint saves space, and the simple design makes it easy to operate and maintain.

## KEY BENEFITS

### SMALL FOOTPRINT

At just 35" wide x 24" deep, it's the perfect fit for small and mid size retailers with limited floor space.

### ACCURACY, REPEATABILITY & RELIABILITY

DVX Pump technology sets the standard for accuracy, repeatability, and reliability, ensuring that you provide customers with right color every time.

### ZERO/LOW-VOC COMPATIBILITY

DVX pump technology, combined with an mechanical, air-tight nozzle closer, make the AT1600 compatible with Zero/Low-VOC colorants.

### SELF SERVICEABILITY

A modular canister design and self-service tools, including step-by-step videos, help maximize uptime and greatly reduce the need for on-site service.

## One-of-a-Kind Pump Technology

DVX® pump technology puts Accutinter dispensers head and shoulders above the rest:

- Robust construction eliminates component wear
- Valveless design eliminates need for annual calibration, and alleviates need for maintenance
- State-of-the-art electronics provide unmatched speed
- Builds on IDEX experience in designing durable and accurate pumps for health, fire, rescue applications

## Driven by ColorPro 4 Software

ColorPro 4 software optimizes the performance of your Accutinter dispensers:

- Automates paint tinting and record-keeping
- Reduces mistints through operator prompts
- Prolongs equipment life with maintenance recommendations
- Features friendly graphical interface

## Service and Support

Our customer commitment continues long after the sale with:

- Prompt installation and training
- Multilingual and after hour support
- Factory technicians in US/Canada
- Unmatched, factory-certified Authorized Service Network
- Preventive Maintenance and Extended Warranty programs
- YouTube channel with how-to videos

Designed and  
Manufactured in the USA
