

# X-PROTINT XL

*Best for: The first step towards full automation*

X-PROTINT XL is a high-performance automatic sequential dispenser of universal and water-based colorants offering the best output at limited investment. It offers very accurate and reproducible tinting solutions and is highly reliable and very simple to operate. For a muscularly built device, it has a surprisingly low power consumption.

**CANISTER CAPACITY:**

**9x1.3 l**  
**12x2.3 l**  
**3x4.6 l**

**PUMPING SYSTEM:**

Patented piston pump

**VOLUME:** Entry-level

**MAX FLOW RATE:**

**17**  
Oz/minute

**NOZZLE CLOSER:**

Patented airtight valve for low-VOC colorants

## KEY BENEFITS

### **SIMPLE OPERATIONS**

Easy to install, operate, and service — do away with operational training.

### **READY TO USE**

No assembly is required.

### **COMPACT SIZE**

Minimizes transport costs and can fit into any small or mid-level size outlet.

### **PROVEN TECHNOLOGY**

Built on proven piston pump and AutoDrive™ technologies for ultimate reliability.

### **UNINTERRUPTED POWER BACKUP**

Day-long power backup through UPS and built-in protection against power surges.

- Automates paint tinting and record-keeping
- Reduces mistints through operator prompts
- Prolongs equipment life with maintenance recommendations
- Features friendly graphical interface

## Service and Support

Our customer commitment continues long after the sale with:

- Extensive self serviceability features with YouTube videos for guidance: pump and canister replacement, MDU replacement, turntable replacement, and more.
- Prompt installation and training
- Multilingual support
- Factory technicians in US/Canada
- Unmatched, factory-certified Authorized Service Network
- Preventive Maintenance and Extended Warranty programs
