

# X-SMART PRO

*Ideal for businesses with low tinting volume*

X-SMART PRO, an entry-level automatic sequential dispenser of universal and water-based colorants designed for daily tinting needs. Simplicity is at the heart of X-SMART PRO making it a trouble-free solution. Among its many boons are an affordable and reliable dispenser, faster and consistent tinting, compactness, low maintenance, operator-friendliness.

CANISTER CAPACITY:

**2.25**

Liters

PUMPING SYSTEM:

Patented piston pump

VOLUME: Entry-level

MAX FLOW RATE:

**9**

Oz/minute

NOZZLE CLOSER:

Air tight - Integrated nozzle closures

## KEY BENEFITS

### **READY TO USE**

No assembly required.

### **STURDY BUILD**

Ergonomic design with a sturdy metal enclosure.

### **SMALL FOOTPRINT**

Accommodate a desktop or laptop thanks to its low height and flat top besides providing a chamber for hugging in a UPS.

### **EASY TO USE**

Simple operations that require minimal operator training.

### **LOW MAINTENANCE**

Devoid of tubes ensuring leak-proof canisters and nozzles while doing away with the complications of rodent bites.

### **LOW POWER CONSUMPTION**

Power backup through UPS to support for a day.

## Driven by ColorPro 4 Software

ColorPro 4 software optimizes the performance of your X-SMART PRO dispenser:

- Automates paint tinting and record-keeping
- Reduces mistints through operator prompts
- Prolongs equipment life with maintenance recommendations
- Features friendly graphical interface

## Service and Support

Our customer commitment continues long after the sale with:

- Extensive self serviceability features with YouTube videos for guidance: pump and canister replacement, MDU replacement, turntable replacement, and more.
- Prompt installation and training
- 24/7 multilingual support
- Factory technicians in US/Canada
- Unmatched, factory-certified Authorized Service Network
- Preventive Maintenance and Extended Warranty programs
