

X-SMART XL

Ideal for businesses with low tinting volume

The X-SMART XL automatic paint dispenser enables you to expand your market and explore new POS channels and opportunities. X-SMART XL is available up to 24 canisters with your choice of decorative and solvent canister configuration, yet compact in size can fit into any small or mid-level size outlet.

CANISTER CAPACITY:

16 x 2.3 l
16 x 1.3 l

PUMPING SYSTEM:

Patented piston pump

VOLUME: Entry-level

MAX FLOW RATE:

17
Oz/minute

NOZZLE CLOSER:

Air tight - Integrated nozzle closures

KEY BENEFITS

READY TO USE

No assembly required.

STURDY BUILD

Ergonomic design with a sturdy metal enclosure.

SMALL FOOTPRINT

Accommodate a desktop or laptop thanks to its low height and flat top besides providing a chamber for hugging in a UPS.

EASY TO USE

Simple operations that require minimal operator training.

LOW MAINTENANCE

Devoid of tubes ensuring leak-proof canisters and nozzles while doing away with the complications of rodent bites.

LOW POWER CONSUMPTION

Power backup through UPS to support for a day.

Driven by ColorPro 4 Software

ColorPro 4 software optimizes the performance of your X-SMART XL dispenser:

- Automates paint tinting and record-keeping
- Reduces mistints through operator prompts
- Prolongs equipment life with maintenance recommendations
- Features friendly graphical interface

Service and Support

Our customer commitment continues long after the sale with:

- Extensive self serviceability features with YouTube videos for guidance: pump and canister replacement, MDU replacement, turntable replacement, and more.
- Prompt installation and training
- 24/7 multilingual support
- Factory technicians in US/Canada
- Unmatched, factory-certified Authorized Service Network
- Preventive Maintenance and Extended Warranty programs
