

"In the past, when we were using manual dispensers, it was not unusual to get a mistint — that's going to happen in the paint industry. Since we started using the X-Smart, we have not had one single mistint."

- Leading Hardware Co-op Manager

# X-SMART

*Best for: The first step towards full automation*

The most economical automatic dispenser on the market, all the advantages of an automatic machine at the price of a manual dispenser.

CANISTER CAPACITY:

**2.25**

Quarts

PUMPING SYSTEM:

Patented piston pump

VOLUME: Entry-level

MAX FLOW RATE:

**7.5**

Oz/minute

NOZZLE CLOSER:

Patented airtight valve for low-VOC colorants

## KEY BENEFITS

### SELF-SERVICEABILITY

Simple design allows an average-skilled operator to perform most repairs. Easy-to-follow online videos provide guidance.

### UNIVERSAL AND LOW-VOC COLORANTS

Patented airtight valve and tubeless design make it perfect for low-volume stores using ZVOC/LVOC colorants.

### SIMPLE OPERATION

Bring your new employees up to speed faster. Easy to operate and maintain.

### SMALL FOOTPRINT

Uses the same or less space than manual dispensers.

### ACCURACY, REPEATABILITY & RELIABILITY

Pump technology sets the standard for accuracy, repeatability, and reliability, ensuring that you provide customers with the right color every time.

### REDUCED MISTINTS

Automation reduces the number of human errors associated with manual tinting.

## Driven by ColorPro 4 Software

ColorPro 4 software optimizes the performance of your X-SMART dispensers:

- Automates paint tinting and record-keeping
- Reduces mistints through operator prompts
- Prolongs equipment life with maintenance recommendations
- Features friendly graphical interface

## Service and Support

Our customer commitment continues long after the sale with:

- Extensive self serviceability features with YouTube videos for guidance: pump and canister replacement, MDU replacement, turntable replacement, and more.
- Prompt installation and training
- 24/7 multilingual support
- Factory technicians in US/Canada
- Unmatched, factory-certified Authorized Service Network
- Preventive Maintenance and Extended Warranty programs

## X-SMART Specifications

<b>Dispensing:</b>	Sequential dispense
