

Compact, simple, and reliable tinting
at the **LOWEST TCO**

Ideal for: Low-volume daily tinting operations

KEY BENEFITS

SMALL & SIMPLE

Easy to assemble and operate, compact design

ACCURATE & REPEATABLE TINTING

Precisely dispenses down to 1/512th of a shot (0.050ml), every time

SHORTER DISPENSE CYCLE TIME

Bi-directional turntable and faster dispense speed cut down cycle time, enabling quicker order fulfillment

LARGER DISPENSE BAY

Accommodates cans up to 18.5 inches in height

ULTIMATE RELIABILITY

Proven piston pump and AutoDrive™ technology to eliminate mistints and keep the dispenser always ready for action

ULTRA LOW MAINTENANCE

The ZeroPurge™ piston pump, magnetic clamp brush, easier canister click 'n release system and manually movable turntable make maintenance minimal and easy
